

TX-USA Wrestling Board of Directors Candidate Profile

Candidates for Board of Director positions are encouraged to create a one page “bio sheet” using this template as a way to introduce themselves and their priorities to the voting members. Candidates are free to provide the information they feel is relevant. A picture can be included if you have one. Email completed forms to jim.dorsey@amd.com. PDF versions will be posted online and links mailed to the clubs.

Candidate Name: Jose Delgado

Club Affiliation: Official's Association

Position Seeking: Vice-Chairman

Occupation: School Teacher at Allen High School

Wrestling Background: 25 years total

As a volunteer: 20 years

As a coach: 10 years high school in Tennessee, 16 years as a club coach

As a club official: board position with Mid South Wrestling Club for 6 years

As a referee: 20 years as a high school official and 18 years as a freestyle and Greco-Roman official. I am a FILA credentialed international official.

Other relevant background and experience: I have held the position of state director of officials, state vice-chairman and state chairman of Tennessee. I was the chairman of Tennessee for two years prior to moving to Texas. I moved to Texas for a teaching position and left TWF in much better shape than when I was elected as chairman. I am on the national weigh-master's committee for USWOA. I have attended 3 USAW state leaders' summits. I have a strong working relationship with numerous state chairmen across the country.

Why I want to get involved: I had been involved in state affairs in Tennessee for many, many years. I understand how a quality and responsible leadership group can improve the wrestling overall in the state. As a 2nd year resident of Texas who is putting down his permanent roots, I want to see the wrestlers in the state improve overall and be provided more opportunities to excel at the current level, at the state level, at the national level, at the collegiate level and the international level. Growth of the sport in all divisions will improve the quality of wrestling as a whole.

My goals for TX-USA Wrestling:

1. Repay all outstanding debts in a timely manner
2. Regain the confidence of the customers of our organization, the parents and wrestlers who seek out training, competition and tournaments to improve their skills
3. Responsible management of the finances
4. Full disclosure and transparency to our customers, the membership
5. An increase in prominence on the national level
6. An increase of athletes attending regional and national competitions in all styles
7. Overall increase in membership of 10% per year
