

# TX-USA Wrestling Board of Directors Candidate Profile

Candidate Name: Kirk Cobb

Club Affiliation: Allen Eagles & Best Trained

Position Seeking: Freestyle/Greco Director

Occupation: Partner in Manufacturers Representative Company specializing in Avionics/Telemetry instrumentation and Test and Measurement Equipment. 23+ years of selling high tech hardware and software solutions

## Wrestling Background:

As a volunteer: 2009 Team Texas Middle School Duals Coordinator; Allen Takedown Club VP (Allen HS); Table worker at many youth tournaments throughout the years.

As a coach: Allen youth coach

As a club official: Allen Eagles Commissioner (state's largest youth club); Allen TOC Tournament Director

## Other relevant background and experience:

- 13 years experience as a coach and club manager in various youth sports.

## Why I want to get involved:

- The relationship between the Youth Folkstyle and Freestyle/Greco organizations is way too disjointed. I want to help bridge the gap and to bring structure to the National Teams so that our kids, once again, want to participate at the FS/GR national events. Also, I have a vested interest since my son will be a Cadet this year.

## My goals for TX-USA Wrestling:

- Grow Freestyle/Greco at the youth and high school levels.
- Improve participation at the State and Regional (Southern Plains) Tournaments as well as Cadet/Junior Duals and Fargo

- Help put an organizational structure in place for Team Texas National Teams and Fargo which will ensure transparency and financial accountability
